Notes:

- The above is based on publicly available data from [www.omegatiming.com](http://www.omegatiming.com) and [www.swimmingresults.org](http://www.swimmingresults.org)
- Textile bests are stated as PBs where relevant.
- In hypothetical results scenarios each swimmer is considered individually in isolation from team-mates in the same event, which hence may overstate potential medals.
- Where rankings are suggested based on SB this includes times set in Budapest in earlier rounds
